**RE: In the Matter of Improving Public Safety
Communications in the 800 MHz Band
WT Docket No. 02-55
Ex Parte Presentation**

Dear Ms. Dortch:

On behalf of AIRPEAK Communications, LLC ("AIRPEAK") and Airtel Wireless Services, LLC ("Airtel") (collectively "Companies") and on behalf of Motient Communications ("Motient"), and in accordance with Section 1.1206(b) of the Commission's Rules, 47 C.F.R. § 1.1206(b), undersigned counsel hereby submits the instant notice of an *ex parte* presentation.

On June 22, 2004, Elizabeth R. Sachs met with Jennifer Manner, Senior Advisor to Commissioner Abernathy, to discuss issues relating to implementation of the 800 MHz "Consensus Plan," consistent with the Companies' earlier-filed Comments in this proceeding. In particular, the parties discussed in what segment of the 800 MHz band the Companies' digital Harmony systems should operate in the event of rebanding. The parties also discussed Motient's unique position as the operator of a commercial, nationwide data system operating exclusively on 800 MHz frequencies.

Kindly refer any questions or correspondence regarding this matter to the undersigned.

Very truly yours,

/s/

Elizabeth R. Sachs
